With respect to the application of REACH to our products and our intention to comply with the requirements, we can assure you that:

- All of ATI Allegheny Ludlum's products (e.g., plate, sheet, strip, and Precision Rolled Strip[®]) are articles under REACH. These articles have no intended release, as outlined in the European Chemical Agency's 'Guidance on requirements for substances in articles' (RIP 3.8), and, therefore, we have no registration obligation under REACH for them.
- Our products contain none of the substances on the latest candidate list of Substances of Very High Concern (SVHC). We will continue to monitor that list as it is updated.
- The substances we have pre-registered and their associated pre-registration numbers are:
