Dear Ms. Xenakis,

Thank you very much for your cooperation during the on-site audit Cessna Aircraft Company conducted at your facility on October 20, 2005. During this audit your documented quality system along with the manufacturing processes were reviewed.

Based upon the results of the audit conducted at your facility and the corrective actions that were submitted by you, Cessna's Quality organization has sustained the approval of **Allegheny Ludlum**.

The processes recognized by Cessna Aircraft Company have been expanded to include the following:

Annealing of Steels	AMS H 6875 (CSMP004)
Annealing of Titanium	AMS H 81200 (CSMP047)

Thank you again for your cooperation.
