RE: Price Announcement

To our valued customers:

Effective with shipments beginning on Monday, July 3, 2006, ATI Allegheny Ludlum is increasing prices of stainless cold rolled and hot rolled sheet and strip, including tubular quality sheet and strip, continuous mill plate and Precision Rolled Strip® products by approximately 6%. This increase is achieved by reducing the functional discount by two percentage points.

Also, effective with shipments beginning on Monday, July 3, 2006, ATI Allegheny Ludlum Specialty Plate is increasing prices of stainless plate mill plate products by approximately 6%. This is achieved by increasing base prices per the attached Stainless PMP Price Schedule.

These increases are necessary to recover rising costs and to support continued capital investments and growth.

All surcharges remain in effect as described on our website www.alleghenyludlum.com. Finally, acknowledged orders cannot be cancelled.

We appreciate your continued support as we implement these price increases. Please contact your ATI Allegheny Ludlum sales representative for further details.

Sincerely yours,

Terrence L. Hartford
