RE: Price Announcement

To our valued customers:

Effective with shipments beginning on Monday, May 1, 2006, ATI Allegheny Ludlum is increasing prices for most 200, 300 and 400 series stainless Plate Mill Plate products by approximately 2% to 5%. This is achieved by increasing Base Prices per the attached schedule.

These price increases are necessary to offset rising costs and to support continued capital investments and growth.

All surcharges remain in effect as described on our website www.alleghenyludlum.com.

We thank you for your continued business and support. If you have questions, please contact your ATI Allegheny Ludlum sales representative.

Sincerely yours,
