RE: Emission Control Alloys Price Increase

To our valued customers:

Effective with shipments beginning on Monday, July 2, 2007, ATI Allegheny Ludlum is increasing base prices for type AL 409 and AL409HP™ alloys by \$0.06/lb. Base prices for type AL439 and AL439HP™ alloys are increasing by \$0.09/lb. Base prices for type AL 441 HP™ and AL 18 CrCb™ alloys are increasing by \$0.16/lb.

Additionally, the discount for type AL 433™ and AL 436S™ alloys is being reduced by five percentage points. The net effect of the discount reduction is an increase in prices by approximately 7%.

These increases are applicable to cold rolled and hot rolled sheet and strip products and are necessary to support continued capital investments and growth.

All surcharges remain in effect as described on our website www.alleghenyludlum.com.

Please contact your ATI Allegheny Ludlum sales representative for further details.

Sincerely yours,

A handwritten signature in black ink, appearing to read "T. Hartford", written in a cursive style.
