RE: Price Announcement

To Our Valued Customers:

Effective with shipments for both production and Redi-Coil orders beginning on Monday, May 4, 2009, ATI Allegheny Ludlum is increasing prices by approximately 6% to 9% for stainless cold rolled and hot rolled sheet and strip, tubular quality sheet and strip (excluding emission control products), and continuous mill plate products. This increase is achieved by reducing the functional discount by two percentage points and increasing the base price on continuous mill plate by \$0.04/lb.

All surcharges remain in effect as described on our website www.alleghenyludlum.com.

We appreciate your continued support as we implement these price increases. Please contact your ATI Allegheny Ludlum sales representatives for further details.

Sincerely yours,

A handwritten signature in black ink, appearing to read "T. Hartford", written in a cursive style.
