**Thomas J. Nese**  
Marketing and Technical Services Manager  
Grain-Oriented Electrical Steel

January 12, 2009

To Our Valued Customers:

Subject: Grain-Oriented Electrical Steel Surcharge

Effective with shipments beginning Sunday, March 1, 2009, a surcharge of \$299 per ton (\$14.95/cwt) is being added to grain-oriented electrical steel invoices. This surcharge is subject to monthly adjustment.

For further information, contact your ATI Allegheny Ludlum sales representative or visit our web site at [www.alleghenyludlum.com](http://www.alleghenyludlum.com).

Sincerely,

A handwritten signature in blue ink that reads "Thomas J. Nese". The signature is written in a cursive, flowing style.

Thomas J. Nese  
Marketing and Technical Services Manager
