Electrical Steels

April 8, 2008

To Our Valued Customers:

Subject: Grain Oriented Electrical Steel Surcharge

Effective with shipments beginning Thursday, May 1, 2008, a surcharge of \$564 per ton (\$28.20/cwt) is being added to grain oriented electrical steel invoices. This surcharge is subject to monthly adjustment.

For further information, contact your ATI Allegheny Ludlum sales representative or visit our web site at [www.alleghenyludlum.com](http://www.alleghenyludlum.com).

Sincerely,

A handwritten signature in blue ink that reads "Thomas J. Nese". The signature is written in a cursive, flowing style.

Thomas J. Nese
