Ronald A. James
Manager, Sales & Marketing
Grain-Oriented Electrical Steel

August 10, 2010

To Our Valued Customers:

Subject: Grain-Oriented Electrical Steel Surcharge

Effective with shipments beginning October 1, 2010, a surcharge of \$433 per ton (\$21.65/cwt) is being added to grain-oriented electrical steel invoices. This surcharge is subject to monthly adjustment.

For further information, contact your ATI Allegheny Ludlum sales representative or visit our web site at www.alleghenyludlum.com.

Sincerely,

A handwritten signature in black ink that reads "Ronald A. James". The signature is written in a cursive, flowing style.

Ronald A. James
Manager, Sales & Marketing
